Trade Show Executive Magazine Recognizes AAPS PharmSci 360 as One of Its “50 Fastest” Growing Trade Shows in the United States

Arlington, VA—AAPS is proud that Trade Show Executive magazine has recognized its PharmSci 360 conference as one of the publication’s “50 Fastest” growing trade shows in the United States. This includes recognition in three areas: Net Square Feet of Exhibit Space, Exhibiting Companies, and Total Attendance.

AAPS will be honored, along with the other award recipients, at the Trade Show Executive Fastest 50 Awards & Summit Gala, May 1-3, at the Miami Beach Convention Center in Miami.

“PharmSci 360 brings together pharmaceutical scientists from across the world to share and discuss research that affects the lives of patients,” AAPS Executive Director Tina Morris, Ph.D. said. “We are so excited to see this meeting growing year over year. It reflects the commitment and hard work of our talented team of professionals and volunteers.”

For a full list of award recipients and more information about the award, visit www.tsefastest50.com.

PharmSci 360 is the world’s premier gathering of pharmaceutical scientists. The 2023 meeting is scheduled for October 22-25 at the Orange County Convention Center in Orlando, FL. For more information. www.aaps.org/pharmsci360.

###
American Association of Pharmaceutical Scientists (AAPS) is a 501(c)(3) non-profit association of more than 7,000 scientists and professionals employed in academia, industry, regulatory, and other research related to the pharmaceutical sciences worldwide. Its mission is to advance the capacity of pharmaceutical scientists to develop products and therapies that improve global health, which members pursue through four peer-reviewed journals and a variety of events in person and online. www.aaps.org
