Why do you want to serve?
To continue the mission of ACAR by improving my community through real estate and to assist fellow real estate professionals in advancing real estate property business and rights.

What ACAR activities interest you the most?
I am interested in developing any agents who have an interest in commercial real estate, especially minority participation in the commercial real estate arena.

What do you see as the value of ACAR to its members?
ACAR advocates for both realtors and the community by advancing real estate business and protecting and enhancing property rights for our local community.

How would you convey the value of ACAR to members?
I would convey the value of ACAR by promoting the benefits I have received as a member and to be an example to other agents by conducting my business successfully and ethically.

What positive changes would you like to see ACAR make?
I would like ACAR to continue to promote and protect the rights of property owners and to be a resource for its agents to provide the services the consumer needs to obtain the best housing or business space available in the market while being as inclusive as possible to any who seek space.

Briefly describe your real estate background.
