

Introducing the 2021 Diamond Virtual Elite Sponsorship Program

While we cannot currently be together in person, there is still a need for you to reach potential customers that are looking for the services that you provide. When we can be together in person, we will also be offering an abbreviated in-person event Diamond Elite Sponsorship program at a reduced cost to the Diamond Virtual Elite Sponsors. This will help to make it affordable because we realize the importance of always having a strong virtual and physical sponsorship program in place to promote your business.

The Diamond Virtual Elite Sponsorship package will provide a great deal of exposure for your business at a very reasonable price!
