ACCA Announces 45-day Public Review of the Home Evaluation and Performance Improvement Standard

Arlington, VA November 3, 2017 – The Air Conditioning Contractors of America Educational Institute (ACCA-EI) Standards Task Team (STT) announces a public review of BSR/ACCA 12 QH-201X (*Home Evaluation and Performance Improvement*). The 45-day public review period begins on November 10, 2017 and will close on December 25, 2017.

This revised standard provides minimum criteria by which deficiencies in existing residential buildings are identified by audit, improvement opportunities are assessed, scopes of work are finalized, work is performed in accordance with industry recognized procedures, and improvement objectives were met.

This revised standard and requisite response form can be found at www.acca.org/ansi.

Comments on this public review must be submitted by December 25, 2017 (5:00 P.M. EST) using ACCA's Public Response Form available at www.acca.org/ansi/

For more information, please contact ACCA's Director of Industry and External Relations, Todd Washam, at todd.washam@acca.org or 703-824-8864
