

ACE's Annual Coaster Con Logo Contest

All American Coaster Enthusiasts (ACE) members are invited to put their artistic talents to work for **COASTER CON 48** to be held in June 2026 at Six Flags New England in Agawam, Massachusetts, Lake Compounce in Bristol, Connecticut, and Six Flags Great Escape in Queensbury, New York. Our logo contest challenges ACE members to create the official logo for Coaster Con 48. The logo should be designed with multiple uses in mind. The selected design will appear on the official Coaster Con T-shirts, which will be sold at the convention, and other Coaster Con-related materials. Designers may submit a separate logo and t-shirt design if they choose to do so, but they are not required too.

A registration credit of \$100 toward Coaster Con will be awarded to the member who creates the winning design. ACE will also award a free Coaster Con T-shirt to the winner. Just imagine, all the fun and thrills of an ACE Coaster Con and wearing your own artwork!

The deadline for entries is January 12, 2026. Designs received on or before that date will be considered and voted upon by ACE's Executive Committee. In the event of a tie, the Logo Contest Coordinator will vote to break the tie.

IMPORTANT RULES

1. The Coaster Con numeral, dates of the convention and names of the host parks must be incorporated into the design. They are:

Coaster Con 48
American Coaster Enthusiasts
June 21 to 26, 2026
Six Flags New England, Lake Compounce, and Six Flags Great Escape
2. Artwork should be in color. However, since it is to be printed on a T-shirt, it is best that no more than six different colors be used in the design.
3. Use your imagination in developing your design, but remember that copyrighted materials such as official park and ride logos and trademarked symbols, including the ACE logo, cannot be used in the Coaster Con logo design.
4. The completed artwork should measure approximately 12 inches by 12 inches in size.
5. The prominent use of one park's icon or symbol in the design will not be accepted; all host parks must be represented equally.
6. ACE owns all submitted logos. The winner of the selected logo will not release the logo on any social media prior to release by ACE. If this is done, a new logo will be selected. No merchandise can be created using submitted artwork without permission from ACE.
7. If your logo(s) were created using Artificial Intelligence (AI) then you must note this when submitting your design. This information is only considered after voting has been completed and will not be indicated during the voting process.
8. Again, all entries must be RECEIVED by January 12, 2026, to be considered.
9. While multiple entries per member are welcome, only three entries per member will be permitted.

QUESTIONS

Any questions regarding the Coaster Con 48 Logo Design Contest can be answered by the Logo Contest Coordinator, Xander Lee, at: logocontest@ACEonline.org.

Entries must be submitted electronically. Please include your name and ACE member number with all entries.

WHERE TO SEND YOUR DESIGN

EMAIL: logocontest@aceonline.org

Good luck!
