

■ FOR LEARNING ■ FOR LISTENING ■ FOR LIFE

Diversity, Inclusion, and Equity in Clinical Research

Panelists

- Moderator & Panelist: Lauren Chazal
- Panelist: Casey Orvin
- Panelist: Jacqueline Cedeno

Learning Objectives

- Discuss what it means when we're speaking about diversity, inclusion, and equity in clinical research
- Discuss importance of diversity in research (briefly discuss historical and new FDA guidelines) - Will this help to move the needle? New targets by Sponsors to ensure inclusion?
- Discuss tactics and innovative ways to improve diversity and inclusion in clinical trials (various industry vantage points)

Agenda

Open discussion moderated by Lauren Chazal
