For Whom the Bell Tolls: Will YOU be Ready When the FDA Calls?

A Granular Review of Inspection Preparedness

Program Agenda:

5:15 – 5:30 pm – Registration
5:30 – 6:30 pm – Presentation
6:30 – 7:00 pm – Networking

Program Description:

Successful completion of an FDA inspection is of paramount importance to sponsors, CRAs and CRCs alike. This presentation will provide the knowledge and toolkit necessary in the development of a comprehensive inspection preparedness plan (IPP)

Upon completion of this presentation, attendees should be able to:

- Distinguish between the **3 divisions** within the FDA responsible for monitoring drugs, biologics and device research
- Describe the **3 Key Steps** of an inspection preparedness plan (IPP)
- Prepare a study summary for study team members
- Develop a comprehensive (IPP)

Target Audience: All Clinical Research Professionals

We invite your active participation in our local chapter. Your participation will help our chapter develop into a group that meets the needs of our members. It will also enable us to continue to offer excellent educational programming. If you are interested in presenting or have a suggestion for a program or speaker OR if you are interested in participating on one of our Chapter's committees OR have information or ideas for the Front Range Newsletter, please contact any Board member. We want to know how we can best meet your interests and needs, and also utilize the skills, ideas, and energies of each of our members.
