Parking Questions?

Call 585.275.4524

While you are driving, you'll probably notice the Blue "H" hospital signs on the expressway/ roadside. Follow those until you get to the entrance and then the parking ramp garage is toward your left. After parking (remember to jot down the level you parked on), there will be signs to the "MAIN LOBBY entrance. Once entering the hospital, there is a large circular reception desk to your right – feel free to ask for detailed direction from them.

The ramp garage located near Golisano Children's Hospital and Wilmot Cancer Center, and is open for parking 24 hours a day, 7 days per week. Entrance to the garage is from Thomas Jackson Drive off Elmwood Avenue or from East Drive between Elmwood Avenue and Crittenden Blvd.

To navigate the garage please [click on this illustration](#). Each area of the garage is denoted by a specific series of letters, and special signs are posted in nearby staircases and elevators to help guests note where they parked their car.

YELLOW RAMP

The yellow ramp has its entrance and exit on East Drive

BLUE RAMP

The blue ramp is accessed by the hospital's main loop on Thomas Jackson Drive.

April's Meeting will be in **The Garvey Room 5-5220 (aka Neurology Conference Rm)** From main lobby follow **green** ceiling tags, take the **green** elevators to the 5th floor. Out of the elevator, turn left. Follow the long, curvy hallway to Garvey room on the right. There will be ACRP directional wall signs to help you on your way.

March's meeting was held in the Northeastern Conference Room 1-9525 is located down the Alumni Hall which is contained within the medical school, on the first floor of the UR Medical Center, conference center area (one floor up from the Flaum Atrium), 601 Elmwood Avenue.
