

Fall Symposium 2016

To maximize knowledge and excellence in the fields of clinical research while fostering collaboration among all professionals of Wisconsin.

*Association of Clinical Research
Professionals (ACRP)
Southern Wisconsin Chapter*

Friday November 4th, 2016

6:45am—3:45pm

*Peck Welcome Center
Milwaukee County Zoo
10001 West Bluemound Road
Milwaukee, WI 53226*

Overall Program Objectives:

Describe investigational drug pharmacy's role in an audit and identify how investigational pharmacy can collaborate with an investigator. Employ common project management solutions to ensure effective clinical research study performance. Define and understand how ethics can be used to increase image and enhance team effectiveness and protect against unethical behavior. Apply Uniform Guidance to scenarios likely to be encountered by clinical trial teams and assess and distinguish monitoring needs for a trial.

Target Audience:

All Clinical Research Professionals

Symposium Speakers

- ♦ **Kristin Busse**, PharmD, BCPS (Investigational Drug Pharmacist; Froedtert Hospital) & **Angela Urmanski**, PharmD, BCOP (Oncology / Investigational Drug Pharmacist; Froedtert Hospital)

- ♦ Title: Investigational Pharmacy Services: From Drug Accountability to Audit – Collaboration with your Pharmacist
 - ♦ Objectives: Describe investigational drug pharmacy's role in an audit and cite how to be well-prepared for a pharmacy audit, identify how investigational pharmacy can collaborate with an investigator outside of patient dispensation of investigational drugs, outline the steps required to obtain an emergency use medication.
-

- ♦ **Walter Bialkowski**

- ♦ Senior Research Coordinator; BloodCenter of Wisconsin

- ♦ Title: Leveraging Project Management Solutions to Design Effective Clinical Research Studies
 - ♦ Objectives: Identify key areas in clinical research design that benefit from forecasting and consulting; employ common project management solutions to ensure effective clinical research study performance; apply integration strategies to your research.
-

- ♦ **Marcy Maslov**

- ♦ Certified Professional Co-Active Coach; Empowerment Unlimited Coaching, LLC.

- ♦ Title: Unlocking the Positive Value of Ethics Using Educational Games
 - ♦ Objectives: Define and understand how ethics can be used to increase image, enhance team effectiveness and protect against unethical behavior, describe a customized simulation using these definitions and parameters to solve real-life ethical dilemmas, create a simple one-step action plan and apply lessons from this session immediately in the work environment.
-

- ♦ **Christy Gilchrist**, PhD, CRA

- ♦ Director—Clinical Programs; HSHS St. Vincent Hospital Cancer Research Institute

- ♦ Title: Uniform Guidance and Clinical Trials: Implications for the Clinical Trial Teams
 - ♦ Objectives: Compare and contrast old and new requirements for clinical trials, identify characteristics of appropriate internal controls, apply Uniform Guidance to scenarios likely to be encountered by clinical trial teams.
-

- ♦ **Darshita Sheth**

- ♦ Program Manager; Monitoring & Quality Assurance Program; Medical College of Wisconsin—Clinical Trials Office

- ♦ Title: Risk Based Monitoring for Investigator Initiated Trials
- ♦ Objectives: Assess and distinguish monitoring needs for a trial, identify resources for monitoring and auditing needs.

*Now featuring booths & vendors during the lunch hour for networking & learning about different areas of research!

- ◇ Clinical Trials Office: Medical College of WI
- ◇ Aurora Research Institute
- ◇ Aerotek
- ◇ Medical College of WI Graduate Programs
- ◇ Blood Center of WI
- ◇ & More!

Agenda

6:45am-8:00am	Registration & Breakfast
8:00am-9:00am	Kristin Busse & Angela Urmanski
