Greetings from Cindy McIntyre

This morning there was a little feeling of Fall in the air – so must be about time for the Annual GCACRP Fall Conference!

The Program Committee has put together a fantastic conference based around the recent best selling book about the HeLa cell line, the ethical implications of research on specimens and other pertinent topics of the day. See page 4 of this newsletter for complete details.

And watch your e-mail for an upcoming announcement about how to register for the conference, which will once again be held at UNC Charlotte.

We are also in the planning stages for next year and that means the Nomination Committee is hard at work. If you are interested in serving on the board or if you know someone who would be a good candidate, please contact Anne Dennos at anne.dennos@orthocarolina.com or Reggie McFadden at Regina.McFadden@carolinashealthcare.org

Our Final event for 2011 will be our annual December Business meeting and Holiday Party. Be on the lookout for details about that in the coming weeks.

Whew.... a busy and fun fall in the works. Thanks to all of the people who have made all of these events possible!

Cindy McIntyre
2011 GCACRP President

2011 GCACRP Event Registration

ACRP has instituted a new method of registering for all events, for attendance and for receiving contact hours. All registrations will be done through the Greater Charlotte Chapter page on the ACRP Website. Log in at http://www.acrpnet.org and follow the links to the Greater Charlotte chapter. Here you will be prompted to register for events either as a member (free including dinner), member requesting contact hours ($10, dinner is free), Non-member ($10 for dinner), or Non-member requesting contact hours ($35 for hours and dinner). Registration for events will only be available shortly before each event. If you purchase contact hours and attend the event, you will be sent an e-mail notifying you when to complete your evaluation to receive your contact hours.

WINSTON SALEM SUB-CHAPTER BOARD OF DIRECTORS:

Winston-Salem Sub-Chapter update:

When we started 2011 we had planned on meeting every other month starting in January and so far we have been able to meet that goal. We have had some great topics and sincerely appreciate all of our attendees for coming out. We had 44 attendees at our 1/31/2011 meeting, 30 at our 3/7/2011 meeting, 34 attendees at our 5/2/2011 meeting and 15 at our 7/11/2011 meeting.

Our last two meetings for 2011 will be held September 12, 2011 and November 7th, 2011. We would like to consider having a spring conference in 2012 and have posed a level of interest question to our attendees.

We will also be having elections at the end of the year for anyone that may be interested.

GCACRP was founded in June 1996. Our goals for establishing the chapter were to provide effective means to:

- Professional Interaction With Colleagues;
- Advanced Continuing Education;
- Providing A Readily Accessible Mechanism For Regional Program Development;
- Furnishing Improved Access To ACRP Membership Resources and Opportunities Including Certification With Contact Hours.
