Building Quality Management Systems for Sites and Sponsors: Root Cause and CAPA

Date:	February 11, 2015
Time:	8:00am-5:00pm
Location:	St. Michael's Hospital - Applied Health Research Centre 250 Yonge Street 6th Floor Toronto, Ontario
Program Description:	This one-day classroom course being offered through the Canadian Chapter provides an interactive exploration of quality management systems and prepares you to build them in both site and sponsor settings to improve clinical trial operations efficiency and accuracy. ACRP's on-demand eLearning Course, <i>Building Quality Systems for Sites and Sponsors: Root Cause and CAPA</i> , is included in your registration fee and is the pre-

	<p>requisite, foundational learning for this classroom discussion of quality management systems from both site and sponsor perspectives.</p> <p>Course attendees will be asked to use the knowledge gained in the eLearning component of this course to collaboratively solve problems presented in multiple scenarios through selection, development, and implementation of quality management systems. The classroom course will begin with a brief review of key components and tools as presented in the eLearning Course that will be used to complete scenarios presented.</p> <p>Please review ACRP's eLearning Course, Building Quality Systems for Sites and Sponsors: Root Cause and CAPA, for details about the self-paced component of this Classroom Course.</p>
<p>Learning Objectives:</p>	<p>By the end of the course you should be able to:</p> <ul style="list-style-type: none"> • Apply a quality system approach during clinical trial conduct; • Execute Corrective and Preventive Actions (CAPA) and Root Cause Analysis (RCA); and • Use tools to support quality system execution during clinical trial conduct.
<p>Continuing Education/Accreditation:</p>	<div style="display: flex; align-items: flex-start;"> <div style="margin-right: 20px;">  </div> <div> <p>Association of Clinical Research Professionals</p> <p>The Association of Clinical Research Professionals (ACRP) provides 7.0 continuing education credits for the completion of this educational activity with the completion of the online evaluation form. These credits can be used to meet the certification maintenance requirement.</p> </div> </div> <div style="display: flex; align-items: flex-start; margin-top: 20px;"> <div style="margin-right: 20px;">  </div> <div> <p>Continuing Nursing Education</p> <p>The California Board of Registered Nursing approves the Association of Clinical Research Professionals (ACRP) as a provider of continuing nursing education. This live classroom course provides 7.0 contact hours of continuing nursing education credit.</p> </div> </div>

Accreditation Council for Continuing Medical Education

The Association of Clinical Research Professionals (ACRP) is accredited by the Accreditation Council for Continuing Medical Education to provide Continuing Medical Education for physicians.

The Association of Clinical Research Professionals designates this live activity for a maximum of 7 AMA PRA Category 1 credits™. Each physician should only claim credit commensurate with the extent of their participation in the activity.

Continuing education credits (contact hours) are awarded with the completion of an online evaluation form, which must be completed within 30 days after the course has occurred. Upon submission of the evaluation form, a link to the printable certificate will be made available on the attendee's "My Tests, Evaluations and Certificates" page of the ACRP website.

Presenter:

Glenda Guest BS, CCRA, RQAP-GCP

Glenda is Vice President of Norwich Clinical Research Associates (NCRA), With 15 years of regulated research experience and her extensive background in a clinical CRO environment she has developed a unique perspective, not only of the regulatory requirements for pharmaceutical and device development and market approval, but also the insights from collaboration with multiple sponsor companies' varying approaches in meeting those requirements. Glenda is an active member of the Association of Clinical Research Professionals (ACRP), New York State MedTech Association and Society of Quality Assurance (SQA). She has maintained her ACRP Certified Clinical Research Associate status since April of 2002. She has also maintained her status through SQA as a Registered Quality Assurance Professional – Good Clinical Practices since April 2007.

Date:	November 6, 2014
Time:	7:00 AM - 5:30 PM

October 24, 2013 - Clinical Trials in Canada: Current Issues and Hot Topics

Full day conference held in Mississauga, ON. [CLICK HERE](#) to view program flyer

April 4, 2013 – Annual General Meeting

The Canadian Chapter of ACRP held its 17th Annual General Meeting, (first time by Webex), on April 4, 2013. The meeting was very successful, with over 30 attendees (approximately the same number as attended the 'live' meeting in 2012). The meeting included presentation of the financial statement for 2012, budget for 2013, and details of past and future education and networking activities. No elections were required for 2012. The Paula Jones-Wright Scholarship Award winner was announced: Lori Rackel, Edmonton, Alberta.

The 2013 Meeting Agenda can be found [HERE](#)

April 13, 2013 - Annual Reception at ACRP Global Conference

A networking reception was held in conjunction with the Global Conference. All Canadian conference attendees were invited to meet Chapter executive, Canadian speakers presenting in Orlando, Global staff, and the Association Board of Trustees.

A special thanks to INC Research for sponsoring this reception.

June 6, 2013 - Edmonton Clinical Research Networking Event

Held at the home of Doni Danforth. This was our second summer networking event held in Edmonton to provide an opportunity to make local connections with other clinical research professionals. Thank you to everyone who attended this event where we could take advantage of the short but sunny patio season. We are always looking for ideas for local speakers, webinars or any other type of educational offering so please contact me with any questions or suggestions.
