

PRAISE BAND FESTIVAL

ACSI Praise Band Festival is a full day where bands spend half a day in workshops and the other half leading Praise & Worship sets. The event is ideal for grade 6-12 instrumentalists, vocalists, and sound/lighting teams. Bands get to present, listen, learn, and worship alongside similarly gifted students. Mentoring and private feedback follows each set and is led by experienced Christian judges and directors via a mini-clinic. Audience participation is encouraged .
