

Paper Shape: Jump & Crawl

Instructions:

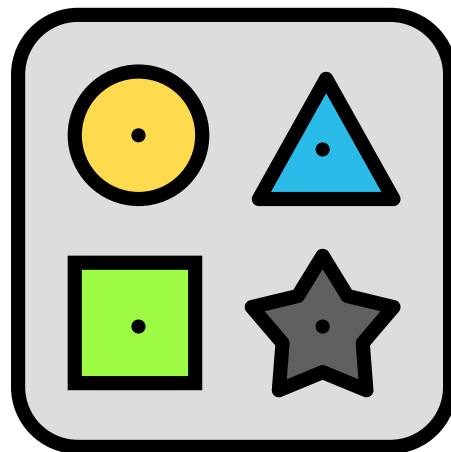

1. Trace and draw different shapes (hearts, stars, triangles, squares, circles).
2. Cut out the different shapes.
3. Tape the shapes onto the floor to keep child from falling or tripping on the shapes.
4. Name and explain the shapes with the child, if the child doesn't know the shape call out the color.
5. Call out a shape and color (i.e. red heart, pink circle, blue triangle) and have the child jump or crawl to the shape.

How to extend activity:

- Add different shapes

Materials:

- Colorful construction paper
- Scissors
- Tape

What they learn:

- This game will help to improve your toddler's gross motor skills and help them practice identifying shapes and colors.
