

### Hand-eye coordination Game

**Instructions:**

1. Draw two pictures of the same thing on two cups.
2. Mix the picture cups up with other cups
3. Have your child find the same pictures on the cups. Once the child finds the cups with the matching pictures, have the child stack them together.

**Materials:**

- 10 paper or foam Cups
- Colorful markers

**How to extend activity:**

Add more cup drawings to increase the activity.

**What they learn:**

- Large Motor skills
- Memory
