

Age Group: Birth to 1-Year-Old

Objective: Gross Motor Skills

Roll the Ball

Instructions:

1. Demonstrate to your child rolling a ball.
2. Roll the ball to your child and encourage them to roll it back.
3. Your child might also carry the ball back to you.
4. Repeat rolling the ball and encouraging your child to return it to you.

Questions to extend learning:

- Can you roll the ball?
- Will you bring the ball back to me?
- Would you like to roll the ball again?

Materials:

- Ball

What will children learn?

The child will learn gross motor skills, imitation, visual tracking, and fine motor skills by playing with a ball.

Learning Objectives:

- Child will begin to develop gross motor skills.
- Demonstrates gross motor manipulative skills.
