### Scavenger Hunt

#### What to do:

#### Instructions:

- This can be done outside or inside.
- Go on a scavenger hunt.
- Walk around the house and find things that start with a letter. Whichever letter you pick, make sure there are several items that begin with that letter so you can extend the game.

#### Game Instructions:

- Tell your child we are going on a scavenger hunt for things that start the letter you chose. Every time you find something that starts with that letter you have to name it.
- Give Praise, Good job!

**Optional:** Place and collect the items in a bucket or bag.

#### Materials:

**Optional:** bucket or bag

#### Questions to ask:

- What do you see that starts with that letter?
- What sound does the letter make?

#### Why is this activity important?

This activity increases memory, letter recognition and sound.
