

Date August 24th, 2020

Dear Parents,

I hope this letter finds you and your family well. We are very excited to start a new school year, and we know that it will be different from previous years. Rest assured that the Illinois Action for Children team has been working diligently to prepare for this new school year. One of the changes that will occur as of Monday, August 24th, is our E-learning website. For the upcoming weeks, you will not see any new activities. However, you can still access the site, and you can review any of the posted activities. For the upcoming weeks, we will be training the staff on a new platform. This platform will enhance the way we provide services to you and your child.

Thank you for your continuous support, we are elated to start a new school year and provide you with the best services possible.

Best,
Illinois Action for Children Team
