Notes: Data are from June 2019. Only Cook County data are reported for municipalities that cross the county border. Licensed home data are from the Illinois Department of Children and Family Services. Licensed center data are from the Illinois Action for Children Resource and Referral program. They include child care centers, preschools, and park & recreation programs that are licensed and offer full-time care to children under age five for the full year or school year. School-age only programs are not included.

¹Total slots include all ages served by a center, including school-age

²The sum of center slots by age may not equal the total center slots because some centers do not report their slots by age to Illinois Action for Children.
