RE: TRADEMARK REGISTRATION  
Mark: AED  
Registration No.: 5,791,240  
Registration Date: July 2, 2019  
Maintenance Period: July 2, 2024 July 2, 2025

Dear Lisa:

We are pleased to enclose the original Certificate of Registration for the above-identified mark. The mark was registered on the Principal Register in the U.S. Patent and Trademark Office on July 2, 2019 under Registration Number 5,791,240.

The registration will remain in full force and effect for a term of ten years from the date of issuance, or July 2, 2029. However, an affidavit of continued use must be filed in the Patent and Trademark Office between the fifth and sixth year of registration. The first date the affidavit can be filed is July 2, 2024 and the final date is July 2, 2025. We have placed these dates into our docket system and suggest you place them in your own call-up system as well. We will remind you of these deadlines in due course.

It is important to use the symbol ® immediately after the mark. This symbol indicates to the public that the mark has been federally registered with the U.S. Patent and Trademark Office. It not only serves as a warning to potential infringers, but also is required in order to collect money damages for infringing acts that occur prior to the infringer having actual notice of the registration.

- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
