

Clinical Assistant Professor of Pediatrics or Staff Psychologist

Division of Behavioral Medicine and Clinical Psychology at Cincinnati Children's Hospital Medical Center is seeking **two** psychologists to join our team of psychologists in serving children and teens with eating disorders in full collaboration with Adolescent Medicine.

Responsibilities for these positions include providing family, individual, and/or group evidenced based treatment for youth and young adults presenting with a wide range of eating disorders including anorexia nervosa, bulimia nervosa, binge eating disorder, avoidant restrictive food intake disorder, and other specified feeding or eating disorder.

The ideal candidates will have completed a doctorate in clinical or school psychology (APA accredited) and be licensed or license-eligible in Ohio. At a minimum, candidates should have experience with evidence-based treatment for eating disorders including family based treatment (FBT) and cognitive behavioral therapy (CBT; experience with DBT and ACT would be optimal). Candidate with postdoctoral training focused on eating disorders preferred but not required. Candidates from underrepresented groups are encouraged to apply.

Interested applicants should send a CV, letter of interest, and three letters of recommendation to Avani Modi, Ph.D. via (Breya.White@cchmc.org). Please reference Job #: 138698 & 138689.

Living in Cincinnati

Cincinnati is a friendly city with affordable housing in nice neighborhoods that don't require long commutes.

Sized just right

Cincinnati is one of the most affordable cities in the country. Compare the purchasing power you would have here against other cities with major research centers.

Schools

Education is a top priority for many families. Cincinnati offers all levels of learning from early childhood to adulthood. There are public, private and religious affiliated schools including Magnet Schools, Montessori, College Prep, Performing Arts, Information, Technology and Entrepreneurial. For higher education the area has more than 30 colleges and universities which include the University of Cincinnati, Northern Kentucky University, and Xavier University.

Transportation

Getting around Cincinnati is more convenient than in many cities. Cincinnati Children's is centrally located, so traveling to work by car, bus or even a bike is easy. And we're very accessible when you're coming from out of town by air, interstate, rail or bus.

Leisure time

Looking for something to do after work? The city has a strong menu of arts and entertainment, and major sports. As well as excellent golf courses and people/ pet friendly parks.

Sports fans can root for professional soccer, baseball and hockey and football teams. Big East and Atlantic 10 college teams, and international tennis champions at the Western and Southern Tennis Open.

Fans of the arts can enjoy Cincinnati Symphony Orchestra, Cincinnati Opera, MidPoint Music Festival, Cincinnati Ballet, Broadway Play Series, and other nationally recognized festivals and shows.

Book worms can get lost in the Public Library of Cincinnati and Hamilton County, one of the premier public library systems in the United States.

A place to fit in

Cincinnati Children's is a diverse and inclusive workplace, and we're proud of it. We offer programs that promote and build a welcoming environment for employees.
