

Substance Use Among Individuals with Eating Disorders

Date: Friday, July 16, 2021

Time: 3:00pm – 4:00pm EST

Presenter

Stephanie N. Ferrin, MD, MS

Assistant Professor at the School of Social Work, UNC Chapel Hill

REGISTER NOW

This free webinar addresses the unique challenges that occur when an individual presents with both substance use and eating disorders. Since both conditions have high morbidity and mortality, it is critical for clinicians to choose the right screening tools and interventions. This is important to help people stay safe and find the best outcomes.

Eating disorders and substance use disorders are common in all primary care settings. That's why it's critical to know the risk factors, use the right screening tools, and identify the right treatment approaches for each individual.

This webinar provides you with practical, actionable guidance on:

- ✓ Screening tools and resources to help identify individuals with both substance use and eating disorders
- ✓ Risk factors in the development of both substance use and eating disorders
- ✓ How to approach evaluations, apply initial treatment interventions, and much more

Accreditation Statement

The National Center of Excellence (NCEED) is approved by the American Psychological Association to sponsor continuing education for psychologists. The National Center of Excellence (NCEED) maintains responsibility for this program and its content. The School of Medicine of the University of North Carolina at Chapel Hill is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Statement

The School of Medicine of the University of North Carolina at Chapel Hill designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. To access your credit for this activity, go to www.med.unc.edu/cpd, click on the transcript link, choose UNC Onyen, and log in with your onyen and password. You can then generate a report showing your credit for the time period you specify. If you do not have an onyen, please contact the CME Coordinator (douglas_hudson@med.unc.edu). Your credit will be available 1-2 days after the activity.

Disclosure Statement

This activity has been planned and implemented under the sole supervision of the Course Directors, Jean Doak, PhD, and the planning committee listed above, in association with the UNC Office of Continuing Professional Development (UNC CPD). The course director, planning committee members, content developers, and CPD staff have no relevant financial relationships with commercial interests as defined by the ACCME.

Funding Statement

Funding for this center's initiative was made possible by Grant No. H79SM081924 from the Substance Abuse and Mental Health Services Administration (SAMHSA). Any views communicated or shared in written and recorded resource materials or publications and by presenters do not reflect the official policies of the Department of Health and Human Services, nor does the mention of organizations, or commercial or private practices imply endorsement by the National Center of Excellence for Eating Disorders (NCEED) or the U.S. Government.
