

# THE REWARDS AND CHALLENGES OF GLOBAL RESEARCH COLLABORATION

Hosted by the AEJMC  
Standing Committee on Research

**Tuesday, February 24, 2026  
1 P.M. Eastern**

Join us for a dynamic webinar on the rewards and challenges of global research collaboration. Learn how to secure funding, build effective international teams, and manage cross-border projects. You'll gain practical insights, real-world examples, and strategies to confidently navigate partnerships around the world.

**Moderating:**

**Deborah Wilson David, (UK)**

**Panelists:**

**Brian Bowe**, Western Washington University  
**Naila Hamdy**, The American University in Cairo  
**Carolyn Walcott**, Clayton State University  
**Lindita Camaj**, University of Florida

*Advance registration is required for webinar events. Information regarding registration is emailed to current AEJMC members. After registering, participants receive a confirmation email to join the event.*
