

Rokos Group is pleased to announce we have been retained to conduct a search for the new **Director of Annual Giving** for the **Methodist Hospital Foundation** located in **Arcadia, California**. Salary range is \$135k-\$175k depending on experience and qualifications.

Methodist Hospital's remarkable service to residents of the San Gabriel Valley would not be possible without the dedication, commitment, and financial support of the Methodist Hospital Foundation. Gifts and bequests to the Foundation provide resources for new medical technology, first-rate hospital facilities, and high-quality, personal health care services.

We strive to provide the people of the San Gabriel Valley and Los Angeles County with comprehensive medical services. We are a non-profit hospital, and donations go a long way in aiding us in our mission and expanding our services. Through gifts, philanthropic support, and donations, we have grown into a vibrant, state-of-the-art facility equipped with advanced technology, and we're still looking for ways to improve.

The Foundation regularly hosts community fundraising events. By participating in fun activities, you can both support your local hospital and socialize with friends and neighbors. The proceeds from these events go on to support our hospital and staff.

One of the foundation's more popular events is the Crystal Ball, a now-famous social activity in the San Gabriel Valley. The Crystal Ball has contributed more than \$7.5 million to hospital growth and helped us transform our campus. We also hold an annual Mari Gras event attended by more than 700 guests and businesses and has contributed over \$1.5 million in its 22-year history.
