Why Partners In Philanthropy?

The Association of Fundraising Professionals (AFP) has been the standard-bearer for professionalism in fundraising for the past 50 years. Members throughout the world advance philanthropy by enabling people and organizations to practice ethical and effective fundraising by providing education, training, mentoring, research, credentialing and advocacy.

The purpose of the AFP Greater Los Angeles Chapter's Partners in Philanthropy (PIP) program is to provide companies, foundations and individuals the opportunity to invest in a year-round marketing strategy while enhancing the expertise level of fundraising professionals in the greater Los Angeles area. In addition, partnership opportunities underwrite scholarship opportunities for professionals who cannot afford to attend development seminars and conferences.
