KALEIDOSCOPE

CHAMBER ORCHESTRA

DEVELOPMENT DIRECTOR

Kaleidoscope is a conductorless orchestra dedicated to enriching lives through exhilarating concert experiences, artistic excellence, musician leadership, and connecting with the diverse communities of Los Angeles.

We are attracting some of the leading musicians and composers in the world and our 2017-2018 season featured 42 premieres with over half of our programing by female composers and composers of color. Our public concerts are donation based and over 75% of the concerts we perform each season are free performances at schools, hospitals, homeless shelters, and other underserved parts of Los Angeles.

We are excited to hire our first full-time development director who will help us reach our fundraising goals. If you are as talented and passionate about fundraising as our musicians are at performing music, we would love to hear from you!

Salary:

$60,000-$80,000, based on experience.

Position:

- Manage all aspects of fundraising for Kaleidoscope to develop long term sustainability and continued growth. Focus on building relationships with current and potential funders. To begin immediately or at earliest availability.
