CHANGE THE WORLD

WITH A GIVING HEART

**National
Philanthropy Day®**

NATIONAL PHILANTHROPY DAY

Every year, since 1986 when November 15th was first proclaimed as National Philanthropy Day® (NPD), communities across the globe have celebrated by hosting events to recognize the activities of donors, volunteers, foundations, leaders, corporations, and others engaged in philanthropy.

The 2022 Awards will be presented on Tuesday November 15, to recognize people, service groups and organizations who have made our province a better place to live, work, and play.

But NPD is far from just an awards ceremony. NPD is also a grassroots movement to increase public interest and awareness of the importance of philanthropy, as well as knowledge on giving, volunteering and engagement at the charitable level so people can practice effective philanthropy.
