

MEDIA ADVISORY

What do a cancer survivor, a local fitness gym owner and a community leader have in common? They are three of six individuals being recognized as outstanding philanthropic citizens at the 22nd annual Manitoba Philanthropy Awards event presented by the Manitoba chapter of the Association of Fundraising Professionals.

The philanthropic sector is a driving force and a positive light that seeks to create impact in the world and in our communities. And fundraisers, community leaders and volunteers are the key driver of that impact. AFP Manitoba seeks to recognize people who have given selflessly of their time and talents to better their community and in effect, the province of Manitoba.

On November 13, AFP Manitoba will recognize six deserving impact leaders who change lives every day through their philanthropic activities. **These exceptional people and groups embody Manitoba's renowned generosity. [We continue to give more per capita than any other province.](#)** And even amid a global pandemic, the impact of that generosity has continued to touch many people in this province.

This year's recipients will be celebrated at a virtual event held on November 13th. Event information and tickets are available now at MBPhilanthropyAwards.ca.

The Manitoba Philanthropy Awards are hosted by AFP Manitoba on National Philanthropy Day, a day set aside to recognize the great contributions of philanthropy in our province, our country and the world. For more information please visit AFPManitoba.org.
