Who We Are

The Association of Fundraising Professionals (AFP) is the professional association of individuals and organizations that generate philanthropic support for a wide variety of charitable institutions. Founded in 1960, AFP advances philanthropy through its nearly 30,000 members in more than 240 chapters throughout the world. AFP has inspired global change and supported efforts that have generated over \$1 trillion. AFP's individual and organizational members raise over \$115 billion annually.

The Santa Barbara/Ventura Counties Chapter of AFP was founded 39 years ago to promote philanthropy and support the practice of ethical and effective fundraising in our region. We do this through education, networking, mentoring, advocacy, and recognition. Drawing on top local and national fundraising talent, the chapter hosts a variety of educational trainings and sector-promoting events each year.

Why Support AFP?

Join us as a Chapter Sponsor and enjoy high visibility all year long to hundreds of non-profit leaders and fundraising professionals across both Santa Barbara and Ventura counties.

- AFP-SBV hosts more than a dozen professional development and networking events throughout the year. Your sponsorship would also include a valuable presence at the AFP Symposium on Fundraising and the widely-publicized National Philanthropy Day Celebration.
- Chapter Sponsors at every level will be prominently listed on the Chapter website and in the AFP-SBV bi-monthly e-Newsletter.
- We will always feature you leading up to events and thank you from the podium.

Please see sponsorship benefits associated with each category – we are happy to provide a customized sponsorship experience that works best for you.
