Category: Outstanding Philanthropic Foundation (Private, Public, or Corporate)

This award honors a private, public, or corporate foundation that has provided exceptional financial support to non-profit organizations and charitable projects in Palm Beach County. While giving is a priority, the award recognizes other ways the foundation has engaged with nonprofits such as through volunteerism and advocacy.

1. Describe the nature and value of gifts given to the organizations from the foundation to non-profit organizations in Palm Beach County, as well as their impact on the recipients.

2. How has the nominee's giving enhanced the quality of life in Palm Beach County? What specific achievements have been accomplished through the support provided?

3. How does the foundation encourage innovative solutions through their philanthropy?
