

J Dillon Collins

Director of Business Development, FiduciaryVest, LLC

FiduciaryVest, LLC is an Institutional Investment Consulting firm serving nonprofit organizations. Bringing years of client-focused experience, Dillon serves the firm's current and growing client base. With his focus on Business Development, he challenges the team to grow with its clients and drive towards those goals and objectives.

Prior to joining FiduciaryVest, Dillon moved his home to Atlanta from New York City. He has experience on both Wall Street's buy and sell sides, working with Institutional clients from a trading, capital markets and investment management perspective, at TP ICAP Group, Chardan Capital Markets and Lehman Brothers. Part of his career was spent strengthening and growing the financial resources for a non-profit educational institution, which makes him an AFP alumni.

Now in Atlanta, he has become an active member of its Philanthropic community. Dillon is a board member for the Ignatius House Jesuit Retreat Center. He serves on the Mission and Identity Committee at Cristo Rey Atlanta Jesuit High School, where he participates in their mentor program. Dillon is also an active volunteer at The Shepherd Center, Atlanta's nationally recognized catastrophic care rehabilitation hospital. He enjoys spending time outside with his wife and daughter, having exchanged a NYC sidewalk for a yard.
