DIRECTOR OF DEVELOPMENT

Mystic Ocean Adventures (MOA)

Santa Barbara, California

About Mystic Ocean Adventures

Mystic Ocean Adventures (MOA) is an emerging nonprofit based in Santa Barbara, dedicated to inspiring and empowering youth through transformative, hands-on ocean education experiences aboard the historic tall ship Mystic Whaler. MOA fosters curiosity, environmental stewardship, and leadership through programs that connect young people to the sea and to one another.

As a new organization with a bold vision and entrepreneurial spirit, MOA is building the foundation for long-term sustainability, visibility, and community impact.

Position Overview

The Director of Development is a key member of MOA's leadership team and will serve as the organization's chief architect of fundraising, donor communications, and philanthropic engagement.

Reporting to the Executive Director and working closely with the Board of Directors and Founding Benefactors, this individual will design and implement a comprehensive development program to support MOA's growth and sustainability — including major and leadership gifts, corporate and foundation support, grant preparation, special events, and annual and planned giving. The individual will collaborate with marketing operations, education, and program staff, and volunteers to connect donors meaningfully to the mission and impact.

A primary focus in the first year will be to help form, launch, and support Lodestar Leaders, a distinguished honorary advisory group of philanthropic leaders aligned with MOA's mission — and to leverage this circle to attract early philanthropic investment and visibility for the organization.

This is an extraordinary opportunity for a dynamic, relationship-driven, and creative development professional to help shape a new nonprofit from the helm.

Key Responsibilities

1. Strategic Development Leadership

- Design and implement a multi-year fundraising strategy aligned with MOA's vision and growth goals.
- Build a culture of philanthropy within the organization, cultivating relationships with donors, partners, and community leaders.
- Partner with the Executive Director and Founders to identify and pursue significant gift opportunities from individuals, foundations, and corporations.

2. Major Gifts & Donor Relations

- Identify, cultivate, solicit, and steward major donors and founding philanthropic partners.
- Prepare foundation grants
- Develop personalized strategies for donor engagement and recognition.
- Establish systems for donor tracking, reporting, and stewardship (including database and acknowledgment processes).

3. Lodestar Leaders

- Provide strategic and administrative support to launch and manage Lodestar Leaders, MOA's honorary advisory circle.
- Coordinate founding member recruitment, onboarding, and engagement experiences.
- Plan and manage exclusive gatherings, including the annual Council reception aboard the Mystic Whaler and related cultivation events.
- Serve as staff liaison to Council members, ensuring follow-up, relationship building, and philanthropic activation.

4. Donor Events, Campaigns & Communications

- Lead the planning and execution of special events, sponsorships, and appeals.
- Oversee communications and storytelling across digital, print, and social platforms to raise awareness and inspire giving.
- Support the development of MOA's visual identity and donor communications, including newsletters, annual reports, and campaign materials.

5. Organizational Partnership

- Collaborate with operations, education and program staff and volunteers to connect donors meaningfully to the mission and impact.
 - Work closely with the Founding Benefactors, Board, and key supporters to align messaging and outreach.
 - Assist in developing and monitoring the annual development budget and fundraising projections.
