

Annual Gifts Coordinator- Santa Maria & Arroyo Grande Campuses

Overview:

Marian Regional Medical Center, located in Santa Maria, CA, is nationally ranked among the top 10% in the nation for safety core measures in Cardiac Services and has the only comprehensive Cancer treatment and resource program from Los Angeles to San Francisco. In April 2012, Marian opened its doors to a brand new state-of-the-art facility which houses the latest technology to support excellent physicians and caregivers who deliver compassionate care each and every day. Marian's new hospital includes 191 beds, expanded and enhanced Emergency Department, Critical Care Unit, NICU and women's services.

Marian is a Dignity Health member of the Central Coast, which also includes **Arroyo Grande Community Hospital** in Arroyo Grande, CA and **French Hospital Medical Center** in San Luis Obispo, CA. Dignity Health of the Central Coast is recognized for the highest quality hospitals, physicians from the top medical schools in the country, primary care offices to ensure access for all patients, premier ambulatory surgery centers, technologically advanced imaging centers, outpatient services and a comprehensive home health service; all recognized for quality, safety and service. Each hospital is supported by an active philanthropic Foundation to provide additional funding to support new programs and services, as well as to advance the community's access to health care.

Responsibilities:

Responsible for coordinating a comprehensive Annual Giving Program, including the coordination and oversight of supporting initiatives in the areas of development services and donor relations. The coordinator provides leadership for all these areas in the context of growing the annual giving program while supporting the greater development goals of the Foundation and Hospital. Works collaboratively with the Manager of Philanthropy.

Qualifications:

- Minimum of three (3) years of not-for-profit fundraising and development experience.
- Bachelor's Degree in a related field.
