

AFP SOUTH SOUND CHAPTER YOU BELONG HERE!

Community & Networking

Association of Fundraising Professionals South Sound (AFPSS) is committed to advancing philanthropy and inspiring excellence in the fundraising profession in our region. We are a volunteer-run network of over 100 professionals who support, encourage and mentor our peers to achieve their maximum potential. We share ideas, and discuss best practices through formal channels such as committees and our twice annual meetings as well as informal networking at educational sessions.

Invest in Your Career

AFPSS provides local, live monthly educational programs featuring topics you want to master. From presentations to hands-on workshops, you will increase your confidence, capability, and credibility. Focused programs will grow your knowledge and skills with a focus on latest trends, research-based best practices, and high ethical standards. AFPSS brings in national talent as well as highlights regional experts who can help you reach the next level - including earning CFRE (Certified Fund Raising Executive) credits.
