

Philanthropy Stories of 2020

Submission Process

The New Mexico Chapter of the Association of Fundraising Professionals (AFP-NM) would like to celebrate National Philanthropy Day by giving our community the opportunity to share their stories. We invite submissions of those individuals, organizations, and businesses that make our state a better place to live through great vision, compassion, and generosity.

Please note: This is NOT a competition! Rather, we seek to share as many stories as possible.
