

The Virginia Beach SPCA (VBSPCA) is a longstanding nonprofit organization that provides essential pet services to the Hampton Roads community. Through animal sheltering and adoptions, low cost veterinary services, and humane education, we strive to create a more humane and responsible community by eliminating animal suffering while increasing human compassion.

The Development Team is composed of the Director of Development, the Database Manager, the Events and Campaign Manager, and the Development Assistant. Together, this team generates and manages the annual fundraising strategy for the organization, ensuring that donor relations and fund development are as strong as possible. We work closely with the CEO and Marketing Team to plan, execute, and track appeal performance for the annual fund, strategic campaigns, events, grants and major gifts.

As the Events and Campaign Manager, your role is to oversee and guide VBSPCA Events and fundraising campaigns hosted throughout the year. VBSPCA Events include our signature events, mini-events, and third-party events. VBSPCA Campaign oversight includes various fundraising campaigns, both in-house and online, that are designed to meet annual fundraising goals. You will work collaboratively with other departments to facilitate and implement events and campaigns that generate funding to further our mission.

Please go to our Career Center at <https://vbspca.com/employment/> to review the job description for more details on what we are looking for in a Events and Campaign Manager and the duties of the position.

The VBSPCA could not exist without the fundraising support from our community. The Development Team ensures that the donor experience, from first time contributions to stewarding of major gifts, is handled professionally and with sincere gratitude for their support. If you thrive in organization, enjoy data analytics, you meet the qualifications of the position, and you are ready to be a part of turning compassion into action for shelter pets, we encourage you to apply. The VBSPCA prides itself in being a great place to work and we are centered around a mission of eliminating animal suffering and increasing human compassion.

Full-Time positions are 40 hours a week and come with competitive benefits. To provide the best support to VBSPCA's events, this position's workweek will be Tuesday through Saturday from 9am to 5pm. There may be times when this schedule must be flexed to accommodate afternoon/evening orientations and/or other events.

Pay Rate: \$45,000 - \$48,000 depending on experience
