

# AFP South Saskatchewan Internal Education Scholarship Application

The Association of Fundraising Professionals (AFP), South Saskatchewan Chapter may provide scholarships to recipients to attend our AFP South Saskatchewan professional development events. We do this to ensure that our education events are accessible to all and ensure education needs are being met in our community. Whether a scholarship is available, and the number of scholarships provided for an event, varies for each education event. Scholarship information will be provided on each event description on our website if there are scholarships available for that event.

**Please note: Applicants who have received a scholarship from AFP South Saskatchewan within the past 24 months are not eligible for this application.**
