

AFP MIAMI MENTEE

How to make the most of your time with your mentor

"One of the greatest values of mentors is the ability to see ahead what others cannot see and to help them navigate a course to their destination." — John C. Maxwell

AFP Miami will match you with a seasoned professional based on areas of interest and expertise. There is major value provided when a mentor offers guidance and support as an industry expert with more than 10 years of experience in the field. Mentors are also active in the AFP chapter, so they may help keep you informed of resources included in your membership.

Mentors offer guidance, support and a listening ear to new fundraisers starting out in their career, while mentees provide experienced professionals with an opportunity to reflect and develop new relationships. Successful relationships are challenging and mutually beneficial, with both parties developing an enhanced self-awareness, satisfaction, and new skills.
