

MENTORSHIP: HOW TO

Become a mentor and help AFP community grow.

"One of the greatest values of mentors is the ability to see ahead what others cannot see and to help them navigate a course to their destination." — John C. Maxwell

AFP Miami will match you with a mentee based on your expertise. As a mentor you will provide major value as you offer industry expert guidance, and keep mentees informed of chapter resources.

Mentors offer guidance, support and a listening ear to new fundraising starting out in their career, while mentees provide experiences professionals with an opportunity to reflect and develop new relationships. Successful relationships are challenging and mutually beneficial, with both parties developing an enhanced self-awareness, satisfaction, and new skills.
