

CHANGE VIRGINIA

WITH A GIVING HEART

National Philanthropy Day®

National Philanthropy Day® is an annual event presented nationwide by the Association of Fundraising Professionals to celebrate outstanding philanthropists and volunteers. Awards given during the program recognize the leaders in the community who make a true impact on the quality of life, cultural vibrancy, and fabric of the region.

Thank you for considering a sponsorship for this important celebration!

National Philanthropy Day
A Day of Service, Learning & Celebration
12:00-7:00 p.m.
Thursday, November 5, 2026
Shineforth (formerly UMFS)

AFP Central Virginia is reimagining National Philanthropy Day in 2026 as a dynamic, community-centered experience designed to bring together fundraising professionals, nonprofit leaders, philanthropists, and community partners from across the region for an afternoon of service, learning, connection, and celebration.

The event will feature an optional community service project, a keynote address from facilitator, coach, and social change leader Evangeline Weiss, community-centered learning sessions, and our National Philanthropy Day Awards Mixer and Ceremony honoring the individuals and organizations whose generosity and leadership strengthen our region.

At the heart of National Philanthropy Day is our commitment to making this celebration equitable and accessible to nonprofits of all sizes. Honorees attend free of charge, and nominating organizations are not required to sponsor the event. Sponsorship support helps remove potential financial barriers for nonprofits, expands access to the day's programming, and makes it possible for our philanthropic community to come together to learn, serve, connect, and celebrate.

We invite you to partner with AFP Central Virginia in creating an experience that honors the very best of philanthropy while strengthening the relationships, knowledge, and sense of community that will shape its future.

We look forward to seeing you at National Philanthropy Day!
