Inclusive Programming

This approach welcomes diverse participation and a continual flow of new ideas, perspectives, and skills—allowing the programming to evolve through the process.

Partnership Pathway

- What are your organization's values and purpose?
- What is your connection to this place?
- What do you need? What can you share?
- How does your organization contribute to Truth and Reconciliation with First Nation, Metis, and Inuit community members?

Mi'kmaw Women in Leadership

- Ground the work in Mi'kmaw Knowledge
- Build trust and accountability with community
- Create visible representation
- Shift who holds decision-making power
- Bring strengths that have historically sustained communities
- Make Every One Every Day stronger
