

July 2016

"We are responsible for the world in which we find ourselves, if only because we are the only sentient force which can change it."
- James Baldwin

Did You Know?

Charitable donations hit a record for the second year in a row, at an estimated \$373.25 billion in 2015. The 4% increase over last year adjusted for inflation reflects growth in giving by individuals and a strong year for giving by bequests and by foundations.
