

## Major Gift Officer

Trusted nonprofit multimedia organization PBS Hawai'i, the Islands' only statewide locally owned television station, seeks a major gift officer to join our team and move our mission-driven organization to a higher level of support in major giving, planned giving and blended gifts. Our inspiring mission is advancing learning and discovery through storytelling that profoundly touches lives. Aided by a donor database, this skilled professional will be responsible for identifying and getting to know prospective major donors, crafting opportunities that serve the aspirations of major givers, and stewarding donors through the process. Ideal candidate has an undergraduate degree and at least five years' success in nonprofit fundraising. Reports to the VP of Advancement.
