Happy New Year!

Hope you all had a wonderful Christmas with family and friends, and that you are off to a great start in 2019. Our AFP Aloha Chapter is excited to present to you a strong year of learning, networking, mentoring, and, of course, fundraising.

As a statewide organization, our chapter looks forward to welcoming all of you to many new professional development events throughout the year and in bringing a strong presence and unified fundraising voice in support of your nonprofit organizations.

Nothing is better than knowing that every single day we are working together to help others and to make our community better. Without the Association of Fundraising Professionals, we would not have a framework for our profession. As AFP members, we are part of an international network of professionals who are committed to excellence in our work and bound by our AFP Code of Ethics. Ethical fundraising and trained professionals are the key to expanding our sector as demand continues to grow - we need you, and we need you to be excellent.

I can assure you that the 2019 Aloha Chapter Board of Directors take that order seriously, as we continue to increase the value of your AFP membership and work to recruit and retain the best possible professionals into our field. We are so fortunate to work in this noble
