

Help Shape the Future of a Providence Institution

Steere House Nursing & Rehabilitation is seeking thoughtful, energetic, and community-minded leaders to join our volunteer Board of Directors.

For more than 150 years, Steere House has served the greater Providence community. Today, we are an independent nonprofit organization providing short-term rehabilitation, long-term skilled nursing care, and specialized memory care to residents and patients.

Our Board includes dedicated and highly experienced members who have provided Steere House with years of invaluable leadership and institutional knowledge. As we look toward the organization's next chapter, we hope to add new members who will bring fresh perspectives, expanded community connections, and a willingness to participate actively in governance and committee work.

We are particularly interested in candidates with experience in one or more of the following areas:

- Healthcare, aging services, nursing, medicine, or public health
- Finance, accounting, banking, or investments
- Law, compliance, risk management, or government affairs
- Fundraising, philanthropy, grantmaking, or community development
- Marketing, communications, public relations, or business development
- Human resources, workforce development, technology, or facilities
- Lived experience as a family caregiver or advocate for older adults

Previous nonprofit board experience is welcome but not required. We value curiosity, sound judgment, collaboration, and a genuine commitment to improving the lives of older adults. We also encourage applications from emerging leaders and individuals whose backgrounds and perspectives reflect the communities we serve in Providence.

This is an active, working Board. Members are expected to attend meetings consistently, prepare for discussions, and serve as ambassadors for Steere House in the community.

If you are interested—or know someone who would be a strong addition to our Board—please contact Linda M. Cannistra, Board President, at safeharbortrials@aol.com. A brief introduction describing your background and interest in our mission would be appreciated.

Please share this opportunity with others who may be interested in meaningful nonprofit leadership and service.
