**Are you ready to take your career to the next level? The AFP GHV mentorship program is a fantastic members-only opportunity. The program offers invaluable opportunities to mentees and mentors for professional growth in the dynamic world of fundraising.**

### WHY BE A MENTEE

- 1. Knowledge and Skill Acquisition:** As a mentee, you have the opportunity to learn directly from experienced professionals in the fundraising field. Mentors can offer insights, tips, and strategies that may not be readily available through formal education or independent study.
- 2. Networking Opportunities:** Mentors make connections and can introduce you to other professionals, potential employers, or collaborators, enhancing career prospects and opportunities for collaboration.
- 3. Personal and Professional Growth:** Receive constructive feedback, guidance, and encouragement tailored to your individual needs and goals. Develop confidence, leadership skills, and a deeper understanding of the fundraising profession.

### WHY BE A MENTOR

- 1. Leadership Development:** Serving as a mentor offers opportunities to develop and refine your leadership skills. Mentors will communicate, provide guidance, and offer constructive feedback to support the growth and development of their mentees.
- 2. Personal Fulfillment and Satisfaction:** You'll make a meaningful difference in the lives and careers of others. Witnessing the growth and success of mentees can be incredibly rewarding and fulfilling.
- 3. Knowledge and Skill Refinement:** Mentoring is a two-way street, and mentors often find that they learn and grow through the process as well. Additionally, explaining concepts or sharing experiences with mentees can deepen your understanding and mastery of the fundraising field.
