Kathleen,

Thank you for your gift to Animal Rescue.

Around 5,000 animals are helped every year by our shelter.

One of these pets is Kepler. She was surrendered to us with no collar and an empty belly. She was scared and alone, but we help give her a safe, dry place to call home until she is adopted.

It is because of your generosity that discarded animals feel love. On behalf of everyone here at the shelter, thank you. You are truly making a difference.

Yours sincerely,
Shelter CEO

Kathleen,

You're so kind, thank you! Tails are wagging and purrs are filling the hallways of Animal Rescue. And while you're not here to join in our happy dance, you're by our side. The animals know that to be true because your compassion will be felt in every moment of care received by the 5,000 animals at our shelter each year.

You know how important it is to provide support for our pets beyond basic needs. Your gift provides access to veterinary care, nutritious food, supportive care, and the search to place these animals in warm and loving homes.

Because you have a warm heart, an animal tonight feels loved. On behalf of your colleagues here at the shelter, thank you. We'll give the animals some pets just from you!

Yours sincerely,
Shelter CEO

Every contribution you make, big or small, helps us build a future where every child goes to school with a full lunch box.

With your support, we'll keep advocating for all levels of government to enact meaningful policy changes that address the root causes of food insecurity.
