

Board of Directors Application

Purpose

The AFP MT Chapter was founded in 1986 to promote high ethical standards in the fundraising profession and provide a network of support. Through educational opportunities, networking events and mentoring, the AFP MT Chapter provides members an engaging experience to achieve great results in their fundraising careers.

The AFP MT Chapter is led by volunteer board members representing the state of Montana. One of the best ways to build relationships is to volunteer alongside your colleagues in the spirit of fellowship and fun. The board is assisted by many volunteers who serve on committees. If you are interested in serving on the Board or a separate Committee, we'd welcome your involvement! Please contact afpmontana@gmail.com for more information.

Need

Appropriately qualified and engaged candidates to maintain highly skilled, stable, and professional advisory and governing boards.

Required Qualifications

- A passion for and a commitment to philanthropy and the betterment of the nonprofit sector in Montana.
