

## **Sierra Chapter Mentoring Program Mentee Application**

**The Sierra Chapter’s Mentoring Program is intended to further the career skills and objectives of a beginning development professional, and is not designed to provide long term or extensive organizational assistance. Mentees will be provided with one year of no less than bi-monthly meetings with mentors who have at least 5 years of experience. Every effort will be made to match mentee priority areas with the best-suited mentor.**

**Mentee Requirements:**

Current AFP Membership.

At least 1 year of experience as a paid Development Professional.

Agreement to serve on an AFP Committee in the year following the Mentoring Year.

Registration fee of \$25 (payable following mentor match). Proceeds benefit chapter scholarships.

Provide a brief report to the Sierra Chapter at the individual program’s conclusion
