

## **Tricia Brosnahan, CFRE**

A professional fundraiser since 2002, and CFRE since 2011, Tricia has previously held positions with Beaumont Health Foundation, Detroit Zoological Society and Michigan Humane Society. In April she found herself faced with an unexpected career change when her position as a senior major gift officer was eliminated due to the financial ramifications of COVID-19. Tricia will share her job search experience and the strategy that helped her quickly find a new fit as Chief Development Officer with Catholic Charities of Southeast Michigan.
