

Megan Fisher is a Business Development Analyst at Ascension Medical Group. I support a variety of projects, most recently I am wrapping up support for our PPE distribution and data entry for our vaccine clinics. At Ascension I have the opportunity to be involved in our Mission Team - a committee where we support our community and colleagues through various fundraisers and drives. Outside of work I am involved with AFP, the Greater Detroit Alzheimer's Walk retention committee and the student activities committee with the Midwest Chapter of American College of Healthcare Executives (MCACHE). I graduated from Oakland University with a Bachelor's degree in Public Administration and a Master's degree in Public Administration.
